**QUALITY, QUALITY!**

The success of cooking depends, to a great  
extent, upon the purity of ingredients used. All  
housewives are not good judges of quality. For  
quality you must depend upon the word of your  
grocer—sometimes you can, oftentimes you can  
not. You can always depend upon the GORDON  
QUALITY. This is attested by the fact that we  
hold our customers and are constantly adding  
new ones. FOR YOUR GROCERIES GO TO
